STATE BOARD OF PHARMACY

IN THE MATTER OF THE SUSPENSION
OR REVOCATION OF THE LICENSE OF

MOHAMMAD ISMAIL, R.P. *22019*

TO PRACTICE PHARMACY IN THE
STATE OF NEW JERSEY

Administrative Action

CONSENT ORDER

This matter was opened to the New Jersey State Board of Pharmacy upon receipt of information that on February 5, 2003 respondent was convicted of the crime of Grand Larceny in Superior Court of New York, County of Kings. Specifically, respondent submitted fraudulent claims to Medicaid in the State of New York. Respondent was sentenced to a conditional discharge for three years and restitution to Medicaid in the amount of \$300,000.00. Based upon this conviction, respondent's license to practice pharmacy was revoked in New Jersey by Consent Order on October 7, 2004.

Respondent has now made application for the reinstatement of

his pharmacy license. He appeared before the Board on January 23, 2008 represented by Angelo Cifaldi, Esq., and testified under oath in response to Board member inquiries.

Respondent submits that he has paid all fines and restitution and has expressed his remorse for his unlawful conduct. He wishes to resolve this matter without the necessity of further formal proceedings. Respondent has demonstrated rehabilitation and it appears to the Board that the conduct that gave rise to the revocation is not likely to reoccur. The Board finds the within Order sufficiently protective of the public health, safety and welfare and for good cause shown;

ACCORDINGLY, IT IS on this 19th day of March, 2008,

ORDERED AND AGREED:

1. Prior to reinstatement, Respondent shall submit proof to the Executive Director of the Board of his satisfactory completion of the Multi-state Pharmacy Jurisprudence Examination. All applicable fees for renewal and reinstatement must be paid by certified check or money order and respondent shall undergo a criminal history background check.

2. After satisfying the terms of paragraph one (1), respondent's license will be reinstated and placed on probation for a minimum of two years from the date of reinstatement subject to the following conditions:

- a. During the probationary period, respondent shall not be a preceptor, an R.P. in-charge or a permit

holder.

3. No continuing education completed by respondent prior to his appearance before the Board on January 23, 2008 shall count toward the thirty hour continuing education requirement for the 2007-2009 period.

4. Respondent shall comply with all statutes, regulations and professional standards applicable to the practice of pharmacy.
